## **Cadillac River** Jeff Napolitano

When a young boy and his father witness a girl tied up at the base of a river, they take it upon themselves to put her in the trunk of their car. When her parents come looking for her, it's a whole different story. As the parents discover the father is connected to the mob, they think twice about what they should have done with their little girl. Now, he's on their back and won't let them do what they did to her again. But like the water that breaks when a child is born, the lessons they learn begin from the start.
