Financial Accounting: An Introduction Pauline Weetman

Financial Accounting An Introduction Pauline Weetman seventh edition The seventh edition of this well-respected and fully updated text retains all of the features that have contributed to the book's popularity: focus on the accounting equation, student activities and real-life commentaries throughout each chapter, a clear and accessible writing style, and inclusion of real-world case studies. With a strong emphasis on the Conceptual Framework of the International Accounting Standards Board, Financial Accounting: An Introduction guides students in understanding the 'why' and not just the 'what' of financial accounting. Key features: *New case studies containing examples from real-world companies *New coverage on fair value throughout *New coverage of the Strategic Report and Directors' Report * Focuses on specific knowledge outcomes, with end-of-chapter self-evaluation * Questions are graded according to difficulty to test student understanding * Definitions and terminology is fully in-line with the revised IASB Conceptual Framework * Experience-driven conversations between two managers are included throughout, providing a practical examination of real life scenarios Financial Accounting: An Introduction is aimed at first-level undergraduates on business studies degrees taking introductory financial accounting classes; first-level specialist accounting undergraduate students; introductory core accounting for MBA and postgraduate specialist Masters students, focusing on analysis through the accounting equation and a questioning approach to problem solving; and professional courses where accounting is introduced for the first time.

"MyAccountingLab advert" Pauline Weetman BA, BSc (Econ), PhD, CA, FRSE, is Professor Emerita of Accounting at the University of Edinburgh, and has extensive experience of teaching at undergraduate and postgraduate level, with previous chairs held at Stirling, Heriot-Watt, Strathclyde and Glasgow Universities. She received the Distinguished Academic Award of the British Accounting Association in 2005. She has convened the examining board of the Institute of Chartered Accountants of Scotland and was formerly Director of Research at ICAS.

From reader reviews:

Angel Garcia:

Playing with family within a park, coming to see the water world or hanging out with buddies is thing that usually you will have done when you have spare time, and then why you don't try matter that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love Financial Accounting: An Introduction, you may enjoy both. It is good combination right, you still would like to miss it? What kind of hang-out type is it? Oh can occur its mind hangout people. What? Still don't get it, oh come on its called reading friends.

Cassie Merritt:

Your reading 6th sense will not betray an individual, why because this Financial Accounting: An Introduction e-book written by well-known writer we are excited for well how to make book that may be understand by anyone who have read the book. Written within good manner for you, leaking every ideas and creating skill only for eliminate your current hunger then you still doubt Financial Accounting: An Introduction as good book not just by the cover but also by the content. This is one guide that can break don't determine book by its cover, so do you still needing yet another sixth sense to pick this specific!?! Oh come on your studying sixth sense already told you so why you have to listening to one more sixth sense.

Diane McCarthy:

This Financial Accounting: An Introduction is great reserve for you because the content which can be full of information for you who always deal with world and still have to make decision every minute. This kind of book reveal it facts accurately using great plan word or we can declare no rambling sentences inside it. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but challenging core information with wonderful delivering sentences. Having Financial Accounting: An Introduction in your hand like having the world in your arm, info in it is not ridiculous a single. We can say that no e-book that offer you world inside ten or fifteen minute right but this guide already do that. So , this really is good reading book. Heya Mr. and Mrs. busy do you still doubt that?

April Harry:

This Financial Accounting: An Introduction is new way for you who has intense curiosity to look for some information because it relief your hunger associated with. Getting deeper you into it getting knowledge more you know or else you who still having tiny amount of digest in reading this Financial Accounting: An Introduction can be the light food to suit your needs because the information inside this particular book is easy to get simply by anyone. These books build itself in the form which can be reachable by anyone, sure I mean in the e-book contact form. People who think that in book form make them feel sleepy even dizzy this e-book is the answer. So you cannot find any in reading a guide especially this one. You can find actually looking for. It should be here for you actually. So , don't miss the idea! Just read this e-book kind for your better life in addition to knowledge.
