“You can own me, Sir...you should own whoever you like.

The **devastatingly gorgeous** Maria has just discovered the terrible secret of the new hunky intern, Robert. With nothing more than a touch of his hand, he can change the minds and bodies of others however he wants. He’s a walking recipe for the most powerful, dominating alpha male who has ever lived...and Maria loves it.

Nothing arouses Maria more than power. Up to this point, she’s used men as toys to get what she wants, effortlessly **taking advantage** of her beauty and charm. Not a single man has ever had carnal knowledge of her **virgin body**. But Robert’s power makes her **panties wet**. Her luscious body **burns with need** to watch him control and **dominate every woman he wants**. In her dream world, he has a **whole harem** of eager, beautiful servants, each **transformed by him** to be as beautiful and obedient as possible with their bodies **aching to pleasure him** all day long.

But Robert has this one little obstacle in her way: a conscience. He knows **its wrong** to just take control of others. And so the succubus Maria must **stroke, suck, and seduce** her new lover until he knows just how dominant he ought to be—over her, and over **every girl in their office**.
