## **Revelry (TAINT) (Volume 1)** Carmen Jenner

Cooper Ryan is living the dream. Between the parties with rock royalty, booze, groupies and performing to crowds of thousands with his band Taint, life seems pretty sweet. There's just one thing missing: the feisty little red-head that took his baby and ran off with his heart. Throwing himself into music is the only thing keeping him sane. Until a run-in with a nonplussed, package-wielding PA throws everything off balance. Ali Jones is having a craptastic life. Her grandmother died, leaving her homeless, penniless, and alone, and her boyfriend left her for a tramp who takes her clothes off for money. That's why when she lands her dream job at a record company it seems like it's too good to be true. Because it is. Slapped with an ultimatum, Ali must decide if facing the horror of the unemployment line is a fate worse than going on the road with four rowdy rockers hell-bent on making her life misery. He's adored by millions. She's not even loved by her cat. Can they ignore their hatred long enough to survive the tour from hell? Or will their chemistry force everything to come crashing down around them?
