Theology of the Body in Context

William E. May

Theology of the Body in Context William E. May

The zenith of John Paul II's thought on the human person, marriage, and the family is found in his "theology of the body." For the first time, William E. May provides a comprehensive yet readable overview of this work in the context of several other key writings of Karol Wojtyla/John Paul II, providing rich insights into the development of the theology of the body.
