Comprehensive Classroom Management Creating Communities of Support&Solving Problems Eighth Edition Vernon Jones

Comprehensive Classroom Management is a truly comprehensive, research-based, and practical source for implementing effective classroom management methods in K-12 classrooms. Not only for class use, this best-selling text is an excellent resource that all educators can consult throughout their careers. It focuses on creating positive learning environments for students and provides extensive, practical materials on both problem solving and building individual behavior change plans for students with behavioral problems. The authors include specific management strategies based on current research and classroom experience, and they use real-life examples and detailed case studies to help the reader understand and apply the principles of classroom management in their own classroom situations.
