## **Ways to Lead Mr. Henry H Knapp III**

Ways to Lead presents you with 111 suggestions for enhancing your ability to lead. I've tested and confirmed the usefulness of each suggestion - in combat in the American military and in over 30 years leading teams of highly skilled professionals in technology companies in Europe, Asia, and the United States. I've used the suggestions to help a number of such teams develop highly innovative, superbly reliable high technology products. None of the suggestions is subordinate to any of the others. Any of them can be useful to you if you make it your own. And if you adopt even a few of the suggestions in this book, you'll become a more effective leader, and a more effective follower as well. Read Ways to Lead, adopt as many of its suggestions as you can, and watch your leadership ability increase.
