Get Well Soon Julie Halpern

I got a better look at some of my fellow patients in this freak hole, and they all look pretty close to my age. They come up to the check-in desk to get pills. After they take them, the desk people look in their mouths to make sure they've swallowed. It's like something out of The Twilight Zone. Are they going to do that to me?

Anna Bloom is depressed?so depressed that her parents have committed her to a mental hospital with a bunch of other messed-up teens. Here, she meets a roommate with a secret (and a plastic baby), a doctor who focuses way too much on her weight, and a cute, shy boy who just might like her. But wait! Being trapped in a loony bin isn't supposed to be about making friends, losing weight, and having a crush, is it?
