Puppy training starts from day 1, don't delay!

A poorly trained puppy will grow up to be a badly behaved dog so it is vital to teach them the basics before they become big enough to cause any real damage.

How to train a puppy FAST is the only resource you need to give your pup the best possible start in life.

Using proven training techniques you will learn:

- How to become a 'pack leader' so your puppy will respect you.
- Key steps to puppy-proofing your home.
- Exactly what you will need to buy for your puppy, and what to avoid.
- The timeline of your puppy's development.
- Essential training tips such as establishing a schedule and rewarding success.
- How to prepare for puppy's first day home.
- How to introduce your puppy to new people and other animals.
- Basic behavioural training to break bad habits fast.
- How to use words and body language that your puppy will understand.
- Toilet training and how to avoid accidents.
- Crate training and how to deal with howling or whining.
- Important commands such as 'sit', 'stay', 'down' and 'come'.
- Collar and leash training.
- The 'heel' command.
- How to continue training so your puppy never forgets!

All this and more is packed into this complete puppy training guide.

Remember, a well trained puppy will grow up to be a well behaved dog.
