# School and Society, Fifth Edition (Thinking about Education)

Walter Feinberg, Jonas F. Soltis

**School and Society, Fifth Edition (Thinking about Education)** Walter Feinberg, Jonas F. Soltis

This widely used text has been expanded to include the most important issues in contemporary schooling, including:

- \* New end-of-chapter sections for Further Reading.
- \* New references added to the useful Additional Resources section.

School and Society, Fifth Edition uses realistic case studies, dialogues, and open-ended questions designed to stimulate thinking about problems related to school and society, including curriculum reform, social justice, and competing forms of research. Written in a style that speaks directly to today's educator, this book tackles such crucial questions as: Do schools socialize students to become productive workers? \* Does schooling reproduce social class and pass on ethnic and gender biases? \* Can a teacher avoid passing on dominant social and cultural values? \* What besides subjects do students really learn in schools?

School and Society is one of the five books in the highly regarded Teachers College Press THINKING ABOUT EDUCATION SERIES, now in its Fifth Edition. All of the books in this series are designed to help pre- and in-service teachers bridge the gap between theory and practice.

Praise for Previous Editions!

"I have been surprised and pleased by the relevance of this particular book to the lives and work of my beginning teachers." -- Teaching Education

"[This series] does a masterful job of bringing together the basic issues and teaching methods that should frame social and philosophical foundations curricula." -- Educational Theory

#### **Monique Hightower:**

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's internal or real their pastime. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring along with can't see colorful pics on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's

country. Therefore this School and Society, Fifth Edition (Thinking about Education) can make you sense more interested to read.
