Seven Guitars

August Wilson

Seven Guitars August Wilson

It is the spring of 1948. In the still cool evenings of Pittsburgh's Hill district, familiar sounds fill the air. A rooster crows. Screen doors slam. The laughter of friends gathered for a backyard card game rises just above the wail of a mother who has lost her son. And there's the sound of the blues, played and sung by young men and women with little more than a guitar in their hands and a dream in their hearts.

August Wilson's **Seven Guitars** is the sixth chapter in his continuing theatrical saga that explores the hope, heartbreak, and heritage of the African-American experience in the twentieth century. The story follows a small group of friends who gather following the untimely death of Floyd "Schoolboy" Barton, a local blues guitarist on the edge of stardom. Together, they reminisce about his short life and discover the unspoken passions and undying spirit that live within each of them.
