The Shepherd of the Hills (Illustrated Edition) Harold Bell Wright

- (Illustrated) - Includes 12 unique illustrations relevant to the book

The man was from the world beyond the ridges, and his carefully tailored clothing looked strangely out of place in the mountain wilderness. His form stooped a little in the shoulders, perhaps with weariness, but he carried himself with the unconscious air of one long used to a position of conspicuous power and influence; and, while his well-kept hair and beard were strongly touched with white, the brown, clear lighted eyes, that looked from under their shaggy brows, told of an intellect unclouded by the shadows of many years. The people of the Ozarks called him The Shepherd of The Hills and only he can heal a division in the community that no one else is even aware of. This edition is lavishly illustrated with twelve original illustrations by Robert Scott Crandall
