The Truth at Last -- Was Joe McCarthy Right?: Part 1 -- Treason in Massive Doses Robert W Pelton
Treason is still a most serious federal offense. U.S. Code, Title 18, Section 2381 forthrightly deals with those who commit treason. Section 2382 covers those who do nothing about it when they know of someone who commits treason. The Truth at Last! Treason in Massive Doses reveals the names of the players. It gives important facts about the game. All Americans have a moral obligation to stand up and be counted in these trying times. Abraham Lincoln declared: "To sin by silence when they should protest, makes cowards of men." The Truth at Last exposes decade after decade of unabated treason and treachery promulgated by innumerable traitorous individuals found buried in the administrations of both the Democrats and Republicans. An informed and active, not a media brainwashed electorate, is the only antidote to further prostitution and the ultimate destruction of what Benjamin Franklin called our "Republic." The Truth at Last provides the facts in this unforgettable eye-opening expose.
