## **Britney Spears' Heart to Heart** Britney Spears

American singing sensation Britney Spears and her mom talk about life, love, fame, and following your dreams.

Britney Spears makes success look simple. As Brit will tell you, though, success is hard work--you need talent, belief in yourself, and someone else who believes in you. For Britney, that person has always been her mother, Lynne Spears, who is not just Britney's mama but also her best friend.

In **Britney Spears' Heart to Heart**, Britney and Lynne share the inspiring story of how one little girl from Kentwood, Louisiana, turned into a music phenomenon. From the days of singing at talent shows and family gatherings to recording ". . . Baby One More Time" and performing with NSYNC, Britney and Lynne share intimate details about Britney's rise to stardom. But this book is much more than just the story of Britney's life. In their own words, Lynne and Britney talk openly about the challenges facing all mothers and daughters. How do you encourage your child? How do you talk to your mom? How do you overcome obstacles? How do you put together your own "dream team" that will always be there for you? How do you deal with success--and failure? How do you talk about dating and relationships, dress codes, self-esteem, and body image?

Featuring never-before-seen photos and dozens of behind-the-scenes stories about life at home, in the studio, and on the road, **Britney Spears' Heart to Heart** is not only a must-have for Britney fans, it's also an honest look at what it's like for girls to grow up in today's world. Here's straight talk from the heart, from a mother and daughter who know that love, faith, and family always come first.
