**Discovering the American Past: A Look at the Evidence, Volume II: Since 1865** William Bruce Wheeler, Susan Becker, Lorri Glover

This primary source reader in the popular DISCOVERING series contains a six-part pedagogical framework that guides readers through the process of historical inquiry and explanation. The text emphasizes historical study as interpretation rather than memorization of data. Each chapter is organized around the same pedagogical framework: The Problem, Background, The Method, The Evidence, Questions to Consider, and Epilogue. The Seventh Edition integrates new documents and revised coverage throughout. For example, the Reconstruction chapter, appearing in Volumes I and II, now explores Thomas Nast's political cartoons and their effect on public opinion.
