Woodrow Phoenix

Rumble Strip: If You Want to Get Away with Murder, Buy a Car Woodrow Phoenix

Over 1.2 million people are killed on the road each year. By 2020, road traffic accidents could outstrip stroke and HIV as one of the main causes of preventable deaths. Woodrow Phoenix's dry, sometimes painfully mordant wit, backed up by accident statistics, personal observations, and case histories, offers a trenchant analysis of the problems of road users everywhere and the risks we all take every day. *Rumble Strip* surprises, challenges, asks us questions that badly need answers, and makes us think about things we may prefer to ignore. But sometimes we all need a wake-up call: Woodrow Phoenix personalizes the experience of the commuter, the driver, the pedestrian, the accident victim—because any one of them could be you.
