Study Guide for Fundamentals of Nursing: The Art and Science of Nursing Care Carol R. Taylor PhD MSN RN, Carol Lillis MSN RN, Priscilla LeMone DSN RN FAAN, Pamela Lynn MSN RN, Marilee LeBon BA

Created in conjunction with **Fundamentals of Nursing, Seventh Edition**, this Study Guide helps students review and apply concepts from the textbook to prepare for exams as well as nursing practice. Each chapter includes three sections: Practicing for NCLEX® (containing multiple-choice and alternate-format questions), Developing Your Knowledge Base (including a variety of questions formats such as fill-in-the-blank, matching, and short answer), and Applying Your Knowledge (comprised of critical thinking questions, reflective practice scenarios, and patient care studies). An Answer Key appears at the back of the book.

From reader reviews:

Elaine Rode:

Book is usually written, printed, or outlined for everything. You can know everything you want by a e-book. Book has a different type. As we know that book is important thing to bring us around the world. Adjacent to that you can your reading skill was fluently. A reserve Study Guide for Fundamentals of Nursing: The Art and Science of Nursing Care will make you to always be smarter. You can feel far more confidence if you can know about every little thing. But some of you think that open or reading the book make you bored. It is far from make you fun. Why they can be thought like that? Have you trying to find best book or ideal book with you?

Alice Black:

Typically the book Study Guide for Fundamentals of Nursing: The Art and Science of Nursing Care has a lot of knowledge on it. So when you check out this book you can get a lot of profit. The book was published by the very famous author. The writer makes some research before write this book. This particular book very easy to read you will get the point easily after perusing this book.

Stella Carpenter:

Do you have something that you enjoy such as book? The guide lovers usually prefer to choose book like comic, short story and the biggest you are novel. Now, why not trying Study Guide for Fundamentals of Nursing: The Art and Science of Nursing Care that give your pleasure preference will be satisfied through reading this book. Reading addiction all over the world can be said as the means for people to know world much better then how they react in the direction of the world. It can't be stated constantly that reading behavior only for the geeky person but for all of you who wants to end up being success person. So , for every you who want to start studying as your good habit, you may pick Study Guide for Fundamentals of Nursing: The Art and Science of Nursing Care become your own starter.

Rosalind Bowlin:

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the educator want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Study Guide for Fundamentals of Nursing: The Art and Science of Nursing Care can make you experience more interested to read.
