## **Human Resource Management (9th Edition) Gary Dessler**

This highly-readable, #1 best-selling HRM book on the market, provides a comprehensive review of personnel management concepts and practices. It focuses on the high-performance organization—building better, faster, more competitive organizations through HR; while continuing to offer practical applications that help all managers deal with their personnel-related responsibilities. A six-part presentation covers the strategic role of human resources, recruitment and placement, training and development, compensation, labor relations and employee security, and international HRM. For human resource personnel—especially managers.
