**On World War 3 and World War 4: revised edition** Ronald L. Conte Jr.

This book of Roman Catholic speculative eschatology focuses on two sets of events in the near future: World War 3 and World War 4. As of this writing (May 2015), neither war has yet begun. And so the ideas in this book are speculation and opinion, not certitude or fact.

This book envisions both World War 3 and World War 4 as part of that set of events call the tribulation, or the end times, or the apocalypse. World War 3 is the first event of the tribulation; it is represented in the Book of Revelation as the first of the four horsemen of the apocalypse. The war is accompanied by other afflictions: civil unrest, famine, and death from many causes (and the fear of death). Some years after the end of World War 3, another world war occurs, much worse than any previous war: World War 4, a full-scale nuclear war. That great war is the sixth of the seven Seals in the Book of Revelation.

The context of these two wars, within the apocalypse is explained. Many passages in the Bible are quoted and interpreted in their application to these wars and the end times. In addition, other events that occur around the time of these wars are discussed, including the inter-war period and the set of sufferings after World War 4.

Chapter List:

- 1: The Meaning of the Wars
- 2: The Great Catholic Monarch and the Angelic Shepherd
- 3: The Danger of Radical Islam
- 4: Iran's Nuclear Program
- 5: The Start of World War 3
- 6: Scripture on World Wars 3 and 4
- 7: From the War to the Darkness
- 8: A Brief Time of Peace, Holiness, and Rebuilding
- 9: The Inter-tribulation Period

The author, Ronald L. Conte Jr., is the translator of the Catholic Public Domain Version of the Bible, a conservative Catholic translation of the Latin Vulgate. He is also the author of the books: The Catechism of Catholic Ethics and Forgiveness and Salvation for Everyone. His other books cover diverse subjects in theology, including moral theology, Mariology, Biblical chronology, eschatology, and other topics.
