**What are We?: A Study in Personal Ontology (Philosophy of Mind Series) (Hardback) - Common** By (author) Eric T. Olson

From the time of Locke, discussions of personal identity have often ignored the question of our basic metaphysical nature: whether we human people are biological organisms, spatial or temporal parts of organisms, bundles of perceptions, or what have you. The result of this neglect has been centuries of wild proposals and clashing intuitions. What Are We? is the first general study of this importan...
