Do What You Love - And Never Work Again!: Dare to take the money! Samuel Cremer
Never work again? Earn money and have fun? This book promises you: It IS possible! The core message: Experiencing joy from what you do isn't just a by-product - but is in fact the foundation for happiness and success: "If you do what you love and you are willing to take money for it, then you can't avoid success!"

This book delivers proof, to the reader by means of numerous exercises, tips, food for thought, insights, inspirations and success stories. Its abundant tools and methods will help the reader to follow the right path to success. "Do what you love" is 100% hands-on - and has already become a cult book. It is the ultimate must-have for anyone who wants to experience a sensation of fulfillment and joy while making money.

"What I value most about Samuel's book is that it is so much more than a collection of euphonious ideas and concepts. It contains concrete, efficient and freshly animated instruction for your personal treasure hunt. [...] Samuel has managed to get the content of an intensive workshop across in a way that is didactic as well as casual."

Veit Lindau Coach, trainer and author on integral success Co-founder of the integral network Life Trust (www.lifetrust.info)

Learn: • How to discover your talents and abilities • How to overcome the feeling of not being good enough • How to generate profit from your talents and skills

What is it that keeps most of us from changing our work environment or from completely recreating it according to our true passions? The answer is: Mental patterns, such as the conviction that you shouldn't ask for money if you enjoy an activity or that only strenuous activities are useful and valuable.

If we do exactly what we love, work becomes pleasure. To have fun AND to earn a lot of money is art ... and you CAN learn it! "Do what you love - and never work again" will change your life effectively within a short time. This book takes you by the hand and leads you away from the daily rat race in four concrete steps – and after reading this book you will have no excuse anymore for not being successful.
