National Geographic Maps - Reference

Beginners USA Education map of the United States for grades K-3. National Geographic's graded-series of maps are the first to address the unique needs of K-12 students as they advance their understanding of our World.

Unlike other classroom poster maps, the world maps use the Winkel-Triple projection, which provides the best combination of size, shape, and distance giving the student the best visual representation of the Earth's surface in two dimensions. This solves the effect seen on other maps where Greenland appears larger than South America.

Our Beginner Series, grades K-3, contains an easy to read maps of the World and United States.

- Map Scale = 1:4,898,000
- Sheet Size = 51" x 40"
