Light of the World: The Pope, The Church and the Signs Of The Times

Peter Seewald, Pope Benedict XVI

Light of the World: The Pope, The Church and the Signs Of The Times Peter Seewald, Pope Benedict XVI

Never has a Pope, in a book-length interview, dealt so directly with such wide-ranging and controversial issues as Pope Benedict XVI does in *Light of the World*. Taken from a recent week-long series of interviews with veteran journalist Peter Seewald, this book tackles head-on some of the greatest issues facing the world of our time. Twice before these two men held wide-ranging discussions, which became the best-selling books *Salt of the Earth* and *God and the World*. Then, Seewald's discussion partner was Joseph Ratzinger, head of the Vatican's chief doctrinal office. Now, Joseph Ratzinger is Pope Benedict XVI, the spiritual leader of the world's over one billion Catholics. Though Seewald now interviews the Pope himself, the journalist "pulls no punches", posing some of the thorniest questions any Pope has had to address. Believers and unbelievers will be fascinated to hear Benedict's thoughtful, straightforward and thought-provoking replies. This is no stern preachment or ponderous theological tract, but a lively, fast-paced, challenging, even entertaining exchange.
