My Celtic Journey: A Traveler's Memoir Gerald Herter

Competing with the dashing heroes and dramatic settings conjured up in my wife's mind seemed like an impossible task. That is, until I became the hero, by bringing her to the places and people that inspired the romantic fantasies in the novels she wrote. Over recent decades, we have traveled numerous times to Celtic lands seeking out the mystique that emerges from these storied locales. From the evocative poetry of an old Irish melody sung by a beautiful tenor voice, to the haunting depths of Fingal's Cave on Scotland's remote Staffa Island, our quest traversed the historic, cultural, scenic and spiritual richness of the Celtic world. Out of this ardent quest comes a collection of stories, recounting the memorable encounters with keepers of the celebrated folklore and countryside that make the British Isles so special. Join us as we travel the byways of these magical lands and beyond.
