Treatment Approaches for Alcohol and Drug Dependence: An Introductory Guide

Tracey J. Jarvis, Jenny Tebbutt, Richard P. Mattick, Fiona Shand

Treatment Approaches for Alcohol and Drug Dependence: An Introductory Guide Tracey J. Jarvis, Jenny Tebbutt, Richard P. Mattick, Fiona Shand

The first edition of this book was based upon the recommendations of the Quality Assurance in the Treatment of Drug Dependence Project, and provided a step-by-step-guide for therapists working with clients with alcohol or other drug dependency or misuse. Since publication in 1995 it has become well known for its easy-to-read style and wealth of practical resource materials. However, the evidence in the field has moved forward in the last eight years, creating a need for an updated edition. Retaining the trademark easy-to-use, up-to-date style, the Second Edition offers new chapters on pharmacotherapies, case management, young people, and dual diagnosis. Other chapters have been updated to reflect the latest research findings and current practice, and the practice sheets and client handouts are made available online for downloading and customization by therapists.
