Anne Davis has returned to the house where she grew up, trading her glamorous Manhattan lifestyle for a harsh winter on a wind-whipped New England island. Her marriage has crumbled in the wake of a tragic accident. Now she has returned to the home on Salt Whistle Raod that has always meant shelter, security, family and love. When she awakens one snowy night to a fire that roars through the old house, Anne escapes--but runs back into the blaze to save something so precious that it's worth risking her life for.
