Horse Hooves and Chicken Feet: Mexican Folktales (Aesop Prize (Awards))

Horse Hooves and Chicken Feet: Mexican Folktales (Aesop Prize (Awards))

This unique collection of fifteen folktales draws on the rich storytelling tradition of Mexico's people and culture. Classic themes and fairytale elements are blended with magic and transformation and infused with Roman Catholic imagery to create a distinctly Mexican flavor and flare. The Virgin Mary plays the role of fairy godmother, devils gamble for souls, and witches make themselves known by dancing at fiestas with horse hooves instead of feet. And as in other folk traditions, cats, dogs, fools, soldiers, and princesses go on quests and have magical adventures. Lively retellings and vibrant, whimsical paintings, based on Mexican folk art, make these spirited tales just right for storytimes and a perfect introduction to this little-known body of folk literature. Introduction, notes on the stories, bibliography.
