The Road to Comedy: The Films of Bob Hope Donald McCaffrey

Although Bob Hope has been the subject of many biographies, no book yet has fully explored the comic persona he created in vaudeville and radio, brought to fruition in dozens of films from the 1930s through the 1960s, and made a lasting influence on comedians from Woody Allen to Conan O'Brien. Now, in *The Road to Comedy: The Films of Bob Hope*, noted film comedy authority Donald W. McCaffrey finally places Hope in his well-deserved position among the highest rank of film comedians of his era. Drawing on archival materials and interviews with collaborators, McCaffrey analyzes each major film in depth, with due attention to particular sequences that reveal how Hope created a unique comic personality that lasted over dozens of very popular films, from the Road movies with Bing Crosby through such underrated classics as *Son of Paleface*, *Monsieur Beaucaire*, and *Casanova's Big Night*.

In so doing, McCaffrey introduces readers to a Bob Hope now overshadowed by his own reputation. We see here that Hope's significance has been greater than any USO appearance or television special might suggest. Because many of these movies have recently been made available on DVD—the first time in decades that they've been easily available to the general public—the volume will also serve as an excellent introduction for those wanting to see these films for the first time.

Jennifer Larson:

Spent a free time for you to be fun activity to perform! A lot of people spent their down time with their family, or all their friends. Usually they undertaking activity like watching television, planning to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Will you something different to fill your own free time/ holiday? May be reading a book might be option to fill your free of charge time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to test look for book, may be the guide untitled *The Road to Comedy: The Films of Bob Hope* can be fine book to read. May be it is usually best activity to you.

Frank Ouellette:

The reason? Because this *The Road to Comedy: The Films of Bob Hope* is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will shock you with the secret it inside. Reading this book close to it was fantastic author who write the book in such incredible way makes the content inside of easier to understand, entertaining means but still convey the meaning fully. So , it is good for you for not hesitating having this any more or you going to regret it. This unique book will give you a lot of positive aspects than the other book have such as help improving your skill and your critical thinking method. So , still want to delay having that book? If I were being you I will go to the reserve store hurriedly.

Duane Coley:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's heart or real their hobby. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this *The Road to Comedy: The Films of Bob Hope* can make you feel more interested to read.
