## **Understanding Genesis (The Heritage of Biblical Israel) Nahum M. Sarna**

"This book...is designed to make the Bible of Israel intelligible, relevant, and hopefully, inspiring to a sophisticated generation, possessed of intellectual curiosity and ethical sensitivity...It is based on the belief that the study of the Book of Books must constitute a mature intellectual challenge, an exposure to the expanding universe of scientific biblical scholarship...Far from presenting a threat to faith, a challenge to the intellect may reinforce faith and purify it."--from the Introduction
