Leah is not happy about being stuck in the hospital for the holidays while her mother is thousands of miles away on a honeymoon with husband number five. Until she meets her hospital roommate, Rebekah, and her big family. Cynical 16-year-old Leah has never known people like this before. From Rebekah's handsome brother, Ethan, who can barely look Leah in the eye, to her kind older sister, Charity, the Amish family captivates Leah with its simple, loving ways. When Leah receives frightening information about her condition, her new friends show her that miracles can happen. And that sometimes angels appear in the most unexpected places.
