The Gospel in the Stars

Joseph A. Seiss

The Gospel in the Stars Joseph A. Seiss

2015 Reprint of 1882 Edition. Illustrated. Written in 1882 by one of the most popular Lutheran preachers of the day, this book draws on scientific, historical, and biblical sources. It shows that not astrology, but rather the gospel of Jesus can be seen in the stars. Seiss believed that the heavens revealed God's glory and his plan of salvation. Seiss was convinced that God had etched His good news in the heavens, that people in darkness might see and gain hope.
