What to Do When You Meet Cthulhu: A Guide to Surviving the Cthulhu Mythos Rachel Gray

Providing insight into the famed Cthulhu mythos of H. P. Lovecraft as well as the countless mythical threats that creep among Earth's population, this comprehensive handbook explores the transdimensional beings, subterranean creatures, and fantastical beasts that lurk in the corners of time. From encounters with Barnabas Marsh and Wilbur Whateley to dangerous seaside communities, this witty exploration covers the multitude of imaginary dangers, escape options, and chances of survival when confronting these horrors. Shoggoths, Nightgaunts, ghouls, and Cthulhu all have ventured into popular culture in the form of cuddly toys, but as this entertaining overview proves, these monsters are not so warm and fuzzy when met face-to-face, face-to-muzzle, or face-to-tentacles. Authoritative and hilarious, this "survival guide" sheds light on the mysterious and often unimaginable world of Cthulhu.
