The Reading Comprehension LSAT Strategy Guide (9781937707767) teaches you how to recognize the core argument and then use it as a framework on which to organize the entire passage, improving the speed and clarity with which you read. To further improve your reading, it walks you through the process of annotation, discussing where and how to take notes in order to maximize your comprehension without eating up precious time. It also looks at what types of questions the LSAT asks and then arms you with the skills you need to spot issues and identify correct answers. Further practice sets and other additional resources are included online and can be accessed through the Manhattan Prep website.
