# 2012 International Building Code (International Code Council Series)

*International Code Council*

**2012 International Building Code (International Code Council Series)** International Code Council  
Featuring time-tested safety concepts and the very latest industry standards in material design, the 2012 INTERNATIONAL BUILDING CODE SOFT COVER version offers up-to-date, comprehensive insight into the regulations surrounding the design and installation of building systems. It provides valuable structural, fire-, and life- safety provisions that cover means of egress, interior finish requirements, roofs, seismic engineering, innovative construction technology, and occupancy classifications for all types of buildings except those which are detached one and two family homes and townhouses not more than 3 stories high. The content in this code book is developed in the context of the broad-based principles that facilitate the use of new materials and building designs, making this an essential reference guide for anyone seeking a strong working knowledge of building systems. Check out our app, DEWALT Mobile Pro™. This free app is a construction calculator with integrated reference materials and access to hundreds of additional calculations as add-ons.
