A Stir of Echoes From Verses Past: Defibrillation Don Simmons a.k.a. Don Poeti

A Stir Of Echoes From Verses Past" is a collection of poetry culled from the life, and experiences of the author. Notwithstanding, in telling his own story, the author is also telling the story of all those who haven't got a voice. It seems to the author that many are suffering from bradycardia. Or, have went into cardiac arrest through Ignorance, Greed, and Blindness. I hope that this book will be the defibrillator which shocks people out of their arrhythmia, and back into the so called" Land Of The Living" This is the pabulum to nourish, and feed the soul...There is a blessing here for everyone. But, a blessing is only that if you receive it. Your blessing is in this book...Will you receive it?
