PART 1: June 2012

Cheshire cat Cleo gets out and gets lost during a heat wave. My reflections on life as I wait for her to return.

PART 2: August 2014

Two years later, Cleo gets loose during yet another heat wave and this time I can not chase her, due to a recent back injury that left me bedridden for 5 months.

PART 3: April 2015

Cleo is on the loose again and this time she's running scared after 7 armed police officers raid her house, tear it to unlivable shreds, and steal her fellow cats, in an illegal pet seizure nightmare, during a land dispute over beachfront property that the town desperately wants and proves they will stop at nothing to get.
