PUSSY WHIP - Proven, Powerful "Secret Technique" Controls Your Man (FOR WOMEN ONLY Book 1) Lanie Stevens

This book is not a book describing the latest sexual or flirting technique to keep your man happy and get him to do what you want him to do. You don't need to read and memorize a book that is 200 pages long for it to be effective. You don't need to dress in sexy lingerie, be a femme fatale or force yourself to love and participate in shooting pool or hunting wild animals to win or keep your man's affection. You don't need to change who and what you are to attract a man, keep a man or get him to change.

This powerful book is "law of attraction on steroids". It is relationship advice for women and couples. I give dating advice constantly to women for free and if Amazon allowed the book to be given away I would do it to help women! If you realize the power of the pussy and the power women have you would not hesitate to read this book.

ALL you need is this short instructional guide with my "secret technique" to have him eating out of the palm of your hand ANYTIME you want. Unlike most "self help" books that give you a laundry list of ways you can change to "attract" and keep a man this book will give you a technique that is simple, fast and powerful.

It is not a "flirting" technique or a kinky "sexual" position...it is an amazing technique that will literally allow you to control your man's behavior. That's right...control his behavior and therefore his thoughts, actions and deeds. Anytime you want!

I know this sound too good to be true... BUT it is true. I assure you that there is no way you can understand how powerful this technique is until you try it and then you will be amazed at how fast it works. It is truly magic!

This "secret technique" is so powerful that I do not want ANY men to ever read this book! If I could prevent men from buying or reading this book I would do it in a heartbeat. There are certain secrets that women should never divulge to men and this is one of the most powerful.

I have used this technique for years and have seen it work in a matter of minutes. I used it on my ex-boyfriend John and if it can work on a stubborn, non-believing, narcissist like him it will work on ANY MAN. A friend used it on her boyfriend to get him to tell her the truth and all he kept saying was "I don't know why I am telling you all the things that I am telling you!" He meant it! He had no control over what he was doing because she controlled his actions.

I love books like "Why Men Love Bitches" and "The Power of Pussy" but this book will give you a technique that is unique and powerful....a technique you can use any time, any place and on any one. Go ahead, "Pussy Whip" your man and have him love every minute of it!
