Rules for Radical Moms Cynthia J. Quinn

Cynthia J. Quinn's *Rules for Radical Moms* was written expressly for middle-class Christian families because they are the primary target of the agnostic progressive left. Cynthia demonstrates how moms, if given the spotlight, can become God's most powerful radicals in the fight to regain control of the kingdom he founded, the United States of America. The details of her own personal destiny and the message God gave her is meant to energize and mobilize mothers all around the country who feel helpless in the struggle to create a better life for their children.
