**The Latin-Centered Curriculum: A Home Educator's Guide to a Classical Education** Andrew A. Campbell

From Cicero to C. S. Lewis, from Thomas Aquinas to Thomas Jefferson, the great minds of the West have been formed by a classical curriculum centered on Latin and Greek. Now you can give your children a traditional classical education at home with The Latin-Centered Curriculum. In a clear and readable introduction, The Latin Centered Curriculum surveys the history of classical education from the ancient Greeks through the 20th-century neoclassical revival. He demonstrates the central position of Latin in the traditional course of study and outlines the many benefits of placing the classical languages at the heart of the curriculum. Then he shares with you the secret of a superior education: multum non multa- not quantity, but quality. With helpful charts and detailed explanations, The Latin-Centered Curriculum guides you step by step with book and curriculum recommendations for each school subject from K-12. It shows you how focusing a few core disciplines-classical languages, mathematics, and composition-can revolutionize your home school. The best education is simple but deep. In this second edition you'll find:
