Many Christians long to study the Word of God in the original Hebrew. They will take Hebrew Classes at a college, a synagogue or online and often become discouraged because these classes either teach them to speak Hebrew or spend considerable time teaching complex rules of grammar when all they really want is to find God's heart and message in His Word. As a result, these Christians usually give up and just go to the back of Strong's Concordance, a lexicon, or a Bible dictionary to look up a word. This book is written for the Christian who does not want to learn to speak Hebrew or spend long hours trying to understand complex rules of grammar. It is written for those who want to find a deeper meaning to certain Hebrew words on their own. Even after looking up a word in their lexicon they are still left with a nagging feeling that there must be more. In most cases there is more and this book will give some guidelines in how to drill down into the very heart, soul and core of a Hebrew word. It will take you to a world beyond your lexicon without spending years in a seminary or Bible College. What you will need is a love for the Word of God. If you love it enough, it will reveal its secrets. Hebrew is a language of the heart and if you love God enough, He will reveal His heart to you through the ancient Hebrew Language. This manual/workbook can be used as a companion to Chaim Bentorah's Beyond the Hebrew Lexicon. Published in connection with Hartline Literary Agency, serving the Christian book community.
