In a single moment hundreds of thousands of people died instantly,
every plane fell from the sky
and the world was plunged into darkness.
This became known as The Event

Three years have passed since The Event and the remnants of the Irving family have managed to survive in this dark desolate world, but their struggle isn't over. Each of them will be forced to make choices that could strip them of their humanity and send them down a dark path.
The breakdown of society is all but complete and war is on their doorstep.
