Lady Chatterley's Lover: (Unexpurgated edition)

D. H. Lawrence

Lady Chatterley's Lover: (Unexpurgated edition) D. H. Lawrence

In *Lady Chatterley's Lover*, Lawrence argues for individual regeneration, which can be found only through the relationship between man and woman (and, he asserts sometimes, man and man). Love and personal relationships are the threads that bind this novel together. Lawrence explores a wide range of different types of relationships. The reader sees the brutal, bullying relationship between Mellors and his wife Bertha, who punishes him by preventing his pleasure. There is Tommy Dukes, who has no relationship because he cannot find a woman who he respects intellectually and at the same time finds desirable. There is also the perverse, maternal relationship that ultimately develops between Clifford and Mrs. Bolton after Connie has left. Masterful written, one of the most important novels of all time. This in the original unexpurgated edition.
