My Best Friend's Mom Cherry Celestia

Jake, Simon and I had been casual friends at school, right up until graduation. Going to the same college, we somehow ended up rooming together. We started taking turns going to each other's houses for holiday breaks, usually coinciding with when our parents were away. When it was Jake's turn, his mother turned up unexpectedly, giving us a surprise of a lifetime.

NOTE: The material in the eBook contains sexually explicit content and it intended for a mature audience only.
