**The Last Book in the Universe** Rodman Philbrick

Read by Jeremy Davies

4 hours, 24 mins.

3 cassettes

Civilization has been destroyed, except for the forbidden place called Eden. There are no longer books in this world, but one old man named Ryter is writing one—even though he knows the possible terrible result of his actions.

Both chilling and inspiring, the story is ultimately about those who have the courage to become conscious in a world that instead invites us to choose illusion and denial.
