False Sight (A False Memory Novel) Dan Krokos

All Miranda wants is a normal life. She's determined to move past the horrible truth of her origin as a clone so she can enjoy time with her boyfriend, Peter, and the rest of her friends at school. But Miranda quickly learns that there's no such thing as normal-not for a girl who was raised to be a weapon. When one of Miranda's teammates turns rogue, it begins a war that puts the world in jeopardy. Now, Miranda must follow her instincts-not her heart-in order to save everything she's fought so hard to keep. With the image of a terrible future seared in her mind, what will Miranda have to sacrifice to protect the people she loves?

Dan Krokos's sequel to the tour-de-force *False Memory* is a mind-blowing thriller with high-octane action that will leave readers begging for the final book in this bold and powerful trilogy.
