~ Join the author of the bestseller "Irish Inheritance" for this second romantic journey to Mist Na Mara in Ireland ~

Charley Hunter returns unwillingly to Ireland to complete the filming of a TV drama series. She still hasn't come to terms with the tragic loss of her husband there two years previously, and the last thing she expects is an instant attraction to an Irish veterinary surgeon.

Luke Sullivan's life is full as he tries to balance caring for his two young children with his busy rural veterinary practice. After the break-up of his marriage, he vowed to leave women well alone, but finds himself drawn to Charley.

While Charley struggles with the re-awakening of her emotions, Luke faces a series of unexplained crises at his clinic, as well as an impending custody battle with his ex-wife.

How can an English actress and an Irish vet reconcile their different worlds? And will their relationship survive when Luke believes Charley has endangered his children's lives – and then betrayed him?
