Latino Education in the United States: A Narrated History from 1513-2000

Latino Education in the United States: A Narrated History from 1513-2000

At long last, the complete history of Latino education in the United States has been gathered together into one groundbreaking volume. Victoria-María MacDonald's engaging narrative guides the reader through an invaluable collection of primary documents and literature. Important for students and scholars alike, *Latino Education in the United States* provides a comprehensive examination of Latino culture, history, and education, and transcends regional and cultural boundaries. MacDonald highlights the poignant histories and triumphs of Mexican Americans, Puerto Ricans, Cubans, Central and South Americans and explores the influence of Latino culture in the United States. *Latino Education in the United States* is an essential collection for all courses in the history of education, multicultural education, and Latino studies.
