## **Simple Principles to Raise a Successful Child** Alex Lluch

Raising a child is uncharted territory. Children don't come with manuals for success. However, whatever problems parents may face with their children, this simple yet powerful book will provide all the answers. It is never too late to change one's approach to parenting. Reading *Simple Principles to Raise a Successful Child* is the first and most important step in the process. The book begins by explaining why we are losing our children to drugs, alcohol, sex and crime, plus answers why parents are failing in their quest to properly raise their children. It then gives 200 very simple principles that any parent can use to make a difference in the success of a child in school, with friends and in life.

The parenting lessons and child rearing ideas in *Simple Principles to Raise a Successful Child* are easy to understand, yet packed with wisdom that will benefit every family. As an additional feature, the text contains hundreds of words and phrases parents can use to praise their children, plus thought-provoking questions to ask kids to foster communication and build strong family bonds. This book is simply a must-have for every caring parent and family.
