## **Transient** Ward Moore

Governor Almon Lampley doesn't know what's going on. It started out as an innocent business trip, but when he decides to spend the rest of the day—and night—in an out-of-the-way hotel, things begin to go horribly wrong. While it's almost always true that nothing is always as it seems, Lampley is finding it extremely difficult to separate truth from reality in this kind of place!
