Paul Ricoeur

From Text to Action: Essays in Hermeneutics, II (Studies in Phenomenology and Existential Philosophy) Paul Ricoeur

With his writings on phenomenology, psychoanalysis, Marxism, ideology, and religion, Paul Ricoeur has single-handedly redefined and revitalized the hermeneutic tradition. *From Text to Action* is an essential companion to the now classic *The Conflict of Interpretations*. Here, Ricoeur continues and extends his project of constructing a general theory of interpretation, positioning his work in relation to its own philosophical background: Hegel, Husserl, Gadamer, and Weber. He also responds to contemporary figures like K.O. Apel and Jürgen Habermas, connecting his own theorization of ideology to their version of ideology critique.
